ГУСЕЙНОВ РУСЛАН РУСТАМОВИЧ

FRONTEND / JAVASCRIPT & VUE.JS DEVELOPER

Ukraine, Donetsk / Russia, Voronezh

GET TO KNOW ME

I am 24 years old, I am an ambitious, purposeful and determined guy. My goal is to become a senior in the frontend development industry. I am not afraid of difficulties, I always go to my goal, I quickly adapt to any task and I am a perfectionist at heart. I am fond of intellectual games (chess, corners, dots, etc.), I love evening walks and sports, I spend my leisure time either watching movies or studying documentation, and of course I love programming and JavaScript. In conclusion, I want to say that I will achieve my goal and become a senior frontend developer and I hope that it is with you that I will go through this thorny path! :)
